I have sometimes used the term that our students may be developing paralysis when it comes to coping ...

05:28PM Thu, 01 August 2013 GMT by Deborah

not because they wish to be but because systems/parents fail to help build resiliency.

one of our teachers shared an idea she heard at a conference- teachers hung a small flag outside their classroom...

06:44PM Thu, 01 August 2013 GMT by Deborah

the flag was a sign for colleagues and administrators to know something great was happening and people were invited to stop in to see.
